

## Volunteering E-News

---

Thank you to all the volunteers who managed to attend the Development Day in Milton Keynes. It really was so lovely to see so many of you. We managed to get through quite a lot but there never seems to be enough time at events such as these. I think if we had a week, it still would not be enough time. Thank you all for joining us. I hope you all found it worthwhile attending.

I must apologise to those of you who have had issues with their expenses. We are in a transition period here with regards to finance. Our new Finance Manager, Katherine Doe, joined us a couple of months ago and is working alongside Jaine Colwell who will be leaving us very soon. As they are both in different offices, it has proved difficult at times and I can only apologise for the inconvenience caused. If you have still not received your expenses, please do let me know.

For those who were not able to attend, I have decided to take the development day on the road and during the first quarter of 2020, I will be coming to a venue close to you. Watch this space for more details.

## 2020 Local Group Meeting Dates

Thank you to those of you who have sent in your 2020 meeting dates. If you are still to send yours in please could I ask that you send them through as soon as possible to enable us to update the website and the local group list?

Thank you to everyone that has ordered their PSPA Christmas Cards! The response has been phenomenal and we are now **SOLD OUT!** Please note; if you've already sent in a postal order form we will endeavour to fill these with our remaining stock. Should any of your chosen designs be unavailable we will phone to discuss your options.

## New banners and bunting

All of our Local Groups were provided with a PSPA banner for them to use at their meetings and any fundraising events. These banners now need replacing with the new brand and I'm in the process of placing the order. We also do PSPA bunting, which some of you may prefer as I know the banners can be difficult to put up.

Please, could you drop me an email to let me know which you would prefer and I will get them ordered. The bunting is 5m long and is quite strong and durable.

## Merry Christmas & Happy New Year

And finally, I know it's early but this is the final volunteer e-news for 2019 so I would like to take this opportunity to say a massive thank you to all of you who have done so much this year to support people affected by PSP & CBD and the charity itself. All of the awareness-raising and fundraising you have done has been outstanding. We could not do what we do without the support of all our lovely volunteers and all of us here at PSPA would like to say a big thank you. It has been a pleasure working with you all and thank you for putting up with me.

Wishing you and your families a very Merry Christmas and a Happy New Year.

Carol
