

Volunteering E-News

Happy New Year!

PSPA would like to extend New Year wishes to all of our fantastic volunteers – you really are the backbone of our charity and we want to thank you for all your hard work during 2019.

We have lots planned for 2020 and we look forward to working with you as we continue our fight against PSP & CBD.

Welcome Julie

This month PSPA welcomed another new starter - Julie Line.

Julie joined the charity for a new challenge following 14 years working at one of the local schools in Milton Keynes in a variety of roles. She has joined PSPA as an Administration Officer and as part of her role she will be providing support to our loyal band of volunteers as well as staff members too.

Julie said: *"I am really looking forward to working at PSPA and really interested in learning all about PSP & CBD. I hope that over the coming months I will get an opportunity to get to know the volunteers either by phone, email or in-person"*.

If you have any volunteering enquiries, please contact Carol or Julie on 01327 356136 or email.

Volunteer Development Day

Thank you to everyone who attended our Volunteers Development Day in Milton Keynes last October.

We have great news for anyone who was unable to make the date. We are planning three smaller events, at different locations in the UK, with the first planned for the south of the country, in the next month or so.

We will be in touch shortly to gauge available dates to ensure as many people who were unable to attend the October Development Day can attend. Keep a lookout for our email!

Collection Tin Distribution

This year we need your help to reach out to local communities to raise awareness of PSPA and funds to help ensure anyone affected by PSP & CBD receives the right care today,

whilst research into a cure continues.

We're looking for volunteers to help identify five great community locations for PSPA collection tins before our awareness week hits in May. Locations could include your local pub, post office, supermarket, hairdresser, newsagent or community rooms.

If there are some good collection tin locations near you, please contact the venue to get their permission before forwarding details to fundraising@pspassociation.org.uk

With best wishes,

Carol

PSPA is the only national charity in the UK supporting families affected by PSP & CBD while funding research into treatments and a cure. Charity number England and Wales 1037087/ Scotland SCO41199.
