WELCOME

New volunteers

We would like welcome five new Helpline Volunteers to #TeamPSPA.

Andrew Daly, Jon Battershill, Matilda Taylor, Helen Mandefield-Chang and Kumud Bawa all completed their final training session on Zoom last night and are keen to get going.

All five will be great additions to the Helpline team and we hope you enjoy your time with us.

A New Resource!

We've produced a new resource to help support Local Group Coordinators as meetings continue online for the foreseeable future.

The resource details everything from how to set up a Zoom Local Group

meeting to who can help as well as ideas for short and easy activities to keep everyone up-to-date, supported and entertained.

Check out the resource by downloading a copy from the [Volunteers Hub](#) on our website.

PSPA Summer Raffle

We launched our Summer Raffle online on 23 July.

Tickets are just £1 each and every ticket sale will help PSPA continue our specialist information and support, today and in the future.

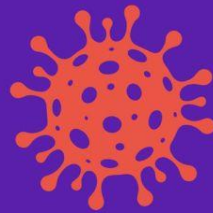

Since the raffle is just online this year, we're encouraging all our members to share details of our raffle with five family and friends.

If you know someone who wants to take part but isn't online, could you help them purchase tickets too?

Tickets are available from our website until 31 August.

APPEAL

Appeal Update

Thank you to everyone who has supported our Coronavirus Emergency Appeal.

With your help we have raised more than £20,000 which will enable us to not just continue the specialist information and support we offer to people living with PSP & CBD but to develop our services further too.

More news about the new services we will be launching soon, thanks to the appeal, will follow in coming weeks.

In the meantime, there is still a chance to donate if you would like to.

Keeping in Touch

Thank you to all our volunteers for your support during the Covid-19 crisis.

As a result of your invaluable help we have continued our support throughout the lockdown and as things begin to slowly open up again. You have made such a difference.

I will be making contact with all our volunteers over the coming weeks to talk through our future plans moving forward. I think we are going to have to work with the 'new normal' for a while so we will need to adjust the way we offer support.

I will be in touch soon.

Keep up the great work you are all doing.
